Lane reductions on I-94 at Touhy Avenue Bridge

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane reductions will occur along Interstate 94 (Edens Expressway) at the Touhy Avenue bridge for a bridge repainting project beginning, weather permitting, Monday, July 6.

In order to complete the work, lanes will be reduced to one lane under the bridge, from approximately 3,500 feet north and south of Touhy Avenue.

The project will be complete by August 15.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>. Updates on the impacts to traffic are available at www.travelmidwest.com.
